OUR ANNUAL BENEFIT CONCERT

The inception of the fall concert started out simple. What could replace the formality of a fundraising gala, while providing a memorable experience for a large audience? The answer? Rock and Roll! With the generous support of our sponsors over the last 10 years, our benefit concerts have raised over 1 MILLION dollars!

Don't miss the symphony of sounds at our two night benefit concert to help local families struggling with hunger.

ABOUT US

For 45 years, Beyond Hunger has helped fight hunger in our community. Over the years, hunger has evolved. And so have we.

Our programming provides nutritious groceries and resources to 40,000 people from 13 zip codes throughout greater Chicagoland. Our marquee program, the food pantry, operates twice per week.

We supply meals to kids when school is not in session, offer nutrition education and cooking classes, and connect clients to income support. We also deliver groceries to older adults and those with disabilities, a service that has tripled in size since the pandemic.
