

HEALTHY CHEF CHALLENGE RESTAURANT ROUND

CARLOS BELON

WILD ONION TIED HOUSE OAK PARK

Chef Carlos Belon hails from Buenos Aires, where he studied at the Instituto Argentino de Gastronomía. Following his graduation in 2001, Chef Carlos honed his Mediterranean-influenced palate in his family's restaurant in Argentina before taking his skills to Miami. While in Miami, he headed up the kitchens first at Prima Pasta, before opening his own bistro-style venture: Chef Belon.

Carlos moved to Illinois in 2017, where he quickly joined the Tied House family as co-executive chef. He's thrilled to bring his own Latin-inspired twists to classic American pub-fare, here in the heart of Oak Park!
