VANESSA DRUCKMAN

Chefdruck: French Foodie Mom

Vanessa Druckman is a home cook to her family of 6 and the author of the blog Chefdruck: French Foodie Mom (www.chefdruck.com). She grew up in Paris, London and New York and learned most of her cooking skills from her mother.

As she spends more on butter than she does on shoes, a healthy cooking competition is going to be a challenge for her, but one that she welcomes.
